SUMMARY

Born September 18, 2000 in Tehran, Iran. Graduated in 2025 with a bachelor's degree in technological engineering (web programming) from Iran University of Applied Sciences and Informatics. My interest in automotive design began with 2D and 3D design on paper from Fedim, and over time I became familiar with Autodesk alias AutoStudio and Keyshot (which I use for rendering). With a diverse background in graphic design and my interest in this field, I have always wanted flawless and excellent design. My personality type is ENTJ-A and my IQ test score is 111.
